excellent type and size, masculine head that still needs to fill in forface, kind expression, his eye colour should have been darker, good neck and shoulder, straight upper arm, good bone and feet, but he still needs to fill in forchest, correct top line and angulation behind, excellent white markings, moves well behind needs to settle in front

excellent type and size, well shaped , masculine head but it could have been one size larger to better balance his body, and undergore could have been a little stronger, a bit angulation in front and behind, good bone and feet, excellent rib cage, a little straight in top line, correct tail, ok coat but the trimming on his front legs is not, I would have liked a free-er movement

excellent type , masculine head, correct expression, I would have liked a darker shade of eye, good neck and shoulder, sufficient angulation upper arm, good bone, turns front feet out, well shaped rib cage, I would have liked a straighter tail and a darker shade of colour, well angulated on the bring of beeing too much behind, therfor an absolut straight top line, ok white markings, moves ok behind, needs to settle in front, ok coat

very good type and size, but still very immature, feminine head, correct expression, excellent ears, good neck and angulation in front, turns front feet out, ok bone, still needs to fill out in body, and I would have liked better angulation behind, she moves with a short step and turns her knees out, correct coat colour and white markings

Mutter: NONETA Z VLCICH LUK
Züchter: MATUSKOVA PAVEL
Zbnr.: ÖHZB/DTR 133 Wurfdatum 08.08.2012

very good type and size but she is out of proportion and is too deep in body for her length of leg, feminine head, eyes could have been a shade darker but still a kind expression, good neck and shoulder, sufficient angulation upper arm, well shaped rib cage for age, well angulated behind, not in the best of coat, correct colour and markings but because of her body proportions that gives her qualification

Bewertung: gut

excellent type and size, feminine head, could have been stronger in undergore and a shade darker in eye, I would have liked her a little bit more open in temperament, correctly angulated front and behind, stands well on her feet, correct top line, not in full coat, but good colour, texture and white markings, moves parallel,
