

IHA Tulln – 28.09.2002

Liebe Retrieverfreunde,

Tulln hat wieder zur Bundessiegerschau am 28.9.02 gebeten und viele darunter auch etliche ausländische Aussteller sind der Einladung gefolgt.

9 Chesapeake Bay Retriever, 32 Flat-Coated Retriever, 96 Golden Retriever, 63 Labrador Retriever und 2 Nova Scotia Duck Tolling Retriever.

Auf Grund der tollen Meldezahlen mussten wir einen dritten Richter einladen. Herr Peter Berchtold erklärte sich liebenswürdigerweise bereit unsere Jüngsten, Jugend und Veteranen aller Rassen zu richten.

Das Wetter hat sich manierlich benommen und der Himmel nur vereinzelt ein paar Regentropfen geschickt und es gab wieder viele stolze Besitzer, die sich über die errungenen Erfolge ihrer Hunde freuten.

Herzlichst Ihre Editha McEwen, mailto: <mailto:show@retrieverclub.at>

B: Fam. WIKLUND

Excellent type and size. Feminine head that I would have liked more chiselled and with a darker eye. Excellent neck and topline. Straight upperarm apart from that excellent angulation. Well shaped body in good nick. Double coat short and soft. Uses her tail well. Excellent mover behind. Unsteady in front - Excellent

B: Gerald BIRNBAUMER

Medium size very good type. A young bitch that still needs time to fill out. Feminine head. Stop should have been more defined and I would have liked a darker eye. Excellent neck and shoulder. Straight upperarm. Good bone. Body needs to fill. Well angulated behind, falls off a little in croup. Double coat not at its best. Moves okay behind needs to settle in front. Good.
